Asks Another Trial Of Land Suit Boyes Springs Fire Department Enjoyed Banquet Monday New Chief Enforcement Officer's Family Once Lived Here

FIREMEN AND SUPPORTERS HAD A GALA TIME

Steinkamp's Resort Scene of Annual Dinner; President Joscelyn of the Organization As Toastmaster.

The Boyes Springs and Valley Volunteer Fire Department, its officers and members had a gala time at Steinkamp's Resort, Sonoma Vista, on last Monday evening, the occasion being the annual banquet of the organization. President Joscelyn was toastmaster and master of ceremonies and straightway explained to those seated around the festive board that the social fund of the fire department to which the membership contributed each month was responsible for the fine gathering. He told of the advantages derived from get-together occasions such as this and declared that the object of the social fund was to cement friendships and keep enthusiasm in the fire department uppermost in the hearts of the members.

After complimenting his co-workers on the good work done in putting the fire department on an efficient basis, he paid special tribute to Messrs. Fleming and Kearney, his capable secretary and treasurer. Mr. Fleming told of the trials and successes of the department, and Mr. Kearney came in for high praise for the number of tickets sold at recent fire department benefits, and for his good work in general.

Chief Walter Stuermer was next called upon and got a big ovation. He said he was doing his best to give service, but regretted that he did not have more time to devote to his job and believed a new chief should be named.

W. L. Murphy complimented the fire department and stressed the duty of non-resident owners to buy tickets and help the department whenever possible.

J. N. Beach outlined the history of the department and told of the service now being rendered and its needs. He outlined the plan to have A. E. Gibson continue to remain on duty at the fire house throughout the winter and asked for contributions toward building living quarters on the fire house. His appeal started a fund to which M. H. Fish, John Benedetto and other good boosters promptly contributed.

Messrs. Fish and Benedetto gave spirited talks, as did Mayor Minges who pledged his continued co-operation. Messrs. Steinkamp, Peterson and others, including Messrs. Meek, Perkins, Gibson, Samuel, Jasper, Miley and Decker all responded in appropriate manner. Mr. Peterson stressed the obligation of non-resident property owners who did not go to fight fires as others who live here do. (Continued on Page Five)

ST. FRANCIS CHURCH BAZAAR TONIGHT

Tonight the second and last night of the St. Francis church bazaar will be held at Union Hall, with a matinee for children in the afternoon amidst a scene of lively festivity. An excellent program will be presented this evening and a big attendance is expected. The main attraction will center around the award of the linen chest, one of the most beautiful and complete ever assembled. The ticket holders are urged to keep their tickets until the winner is announced by the press. There will be three numbers drawn, the first being the winning number. If not claimed within a specified number of days, the second number drawn will then be the winning number, likewise if the second number is not claimed, then the third number will win.

Down There They Take 'Em All In

We have all heard about the city limits of Los Angeles. The City of the Lost Angels is evidently trying to find them, for she has reached out in every direction until the city limits are "ze" limit. A Sonoma traveler vouches for the fact that recently when in the South he began to get a far-away feeling, but was reassured when he read on a sign "you are in the city limits of Los Angeles." Just then a coyote crossed the road. The Sonoman was surprised at this part of Los Angeles' population but said it was nothing to the "wild cats" he encountered while there.

MRS. MARY STUDLEY CROSSES GREAT DIVIDE

Another good mother has crossed the Great Divide in the passing of Mary J. Studley, of Buena Vista, wife of the late S. J. Studley, who preceded her to the Great Beyond just ten months ago.

Mrs. Studley was born in Yreka, California, 70 years ago. Her maiden name was Stanley, and her marriage to Mr. Studley took place in Shasta. Mr. and Mrs. Studley moved to Lakeview, Oregon, coming to Sonoma Valley in 1909, to spend their declining years. Eight children were born to the couple in the North, but four passed away in their youth. The surviving children are Chester, Thomas and Oscar Studley and Mrs. Alsy Converse.

Deceased has been ill for the past two years and a recurrence of paralysis caused her death.

The funeral took place yesterday from the family home and was attended by many friends and neighbors, who regarded Mrs. Studley highly during her residence here and paid tribute to her memory at the last sad rites. Interment was in Mountain Cemetery.

W. F. CLEWE HEADS GROCERS' ORGANIZATION

W. F. Clewe, prominent local merchant, was elected president of the Sonoma County Grocers Association at a meeting of 60 Sonoma county grocers, held at the Hotel Petaluma Wednesday night.

JURIST ADDRESSES SONOMA KIWANIS

Superior Judge R. L. Thompson addressed the new Sonoma Kiwanis Club Tuesday, speaking on "The American Constitution," a subject on which he has been asked to talk now at three Kiwanis meetings in the county. There were about 30 Kiwanians present at the meeting, the Sonoma club being now in process of organization and seeking a charter.

SONOMAN LEFT \$25,725 ESTATE

Property valued at \$27,725.54, the largest item of which is stock in the Italian American Bank, worth \$24,670 was left by the late Henry J. Wicker according to an appraisal of the estate filed in the superior court by A. R. Grinstead, attorney for Bertha A. Wicker, the executrix. The estate also includes real estate in this city, Alameda and Shasta counties, and cash in the bank. The inventory was made by Donald Geary, A. J. Smith and A. R. Luchsinger.

Monday and Tuesday of the coming week has been designated as the big bargain days for October. See attractive buys at Sonoma stores advertised on Page 3. These bargains for Monday and Tuesday only.

Controversy Over Miss Copeland's Interest In Orchard May Be Tried Again

A new trial in the Sonoma land case in which Richard L. Watt sought to have set aside a deed given by the late Sarah Ellen Watt, his aunt, to her cousin, Octavia Copeland, and in which the land gift was upheld by Superior Judge R. L. Thompson, will be sought by Watt, according to a notice filed in the superior court Thursday by Watt's attorneys, W. F. Cowan and R. A. Bronson. The re-trial will be asked on grounds of discovery of new evidence favorable to Watt, errors in law occurring during the last trial, insufficient evidence to warrant the judgment, irregularities in the proceedings and accident and surprise. The suit revolved around a question

of delivery of a deed made out by Mrs. Watt and inclosed in an envelope, upon which was written instructions that it should be delivered to her nephew upon her death, and which was deposited with a Sonoma bank, only to be later withdrawn and replaced by the deed given to Miss Copeland.

Judge Thompson's decision was to the effect that the evidence did not show that the deed had been placed in escrow.

In filing the notice of motion for a new trial, Cowan also demurred to a recent suit brought by Miss Copeland against Watt as an aftermath to the first suit, charging Watt with unlawful detainer of the property.

BRIDGE PLANS APPROVED

A plan to construct bridges across the Napa River from a point just north of Terrace and Sonoma creeks as part of a highway system to connect with Vallejo the Black Point cut-off in Marin county, has been officially approved, according to word received in Vallejo. The plans were made by W. S. McClure, state engineer. The two bridges are to cost, according to announcement, approximately \$450,000. The bridge at Vallejo will cost \$300,000, which the Sonoma Creek bridge will cost about \$150,000.

Construction will begin before January 1st, if all the necessary permits are given, according to A. O. Stewart, of San Francisco, who is financing the project.

PLANS READY FOR BOYES SPRINGS HOUSE

P. N. Dieringer of 1160 Folsom street, San Francisco, will shortly build a house at Boyes Springs. Plans call for a two story residence with garage. The building will be of frame and plaster construction with tiled roof and interior finish of gum and hardwood. It will be one of the nicest homes in the Springs section.

WOMAN'S CLUB BIRTHDAY

Cards were the chief diversion and prizes were won by George Leiser and Mrs. Burlingame. Delicious refreshments were served. Mrs. T. H. Denny, hostess, was not present but generously contributed to the refreshment fund. A very enjoyable evening was reported by all who attended the party.

DEATH OF LITTLE SON

William Bryant Stock, seven year old son of Mr. and Mrs. Garry Stock (Georgie Andrews) died in San Francisco last Saturday of diphtheria. The little fellow, who was the pride of the household, succumbed after a six days' illness.

He was laid to rest in Cypress Lawn cemetery by his sorrowing parents and many relatives and friends who mourn his passing. Mrs. Frances Leix came up from Los Angeles for the funeral. Floral offerings were very beautiful.

Besides the parents, two little brothers survive deceased. Sonoma Valley friends of Mr. and Mrs. Stock sympathize with them in their loss.

FIRE AT THE DALE

A grass fire swept ranches in the vicinity of the Dale last Sunday afternoon and for a time menaced the Tule Vista school house. Fencing and a few outbuildings in the path of the flames were destroyed. The fire originated in the neighborhood of the Howard Ford poultry ranch, but the wind swept it away from that property. Sonoma and Boyes Springs sent their fire departments to the scene.

FAMILY REUNION SUNDAY

The P. Carlson family, who recently arrived from the East, were guests of honor at the N. Pearson home in El Verano last Sunday where a fine dinner was served. Those present were Mr. and Mrs. Pete Carlson, Olga, Evelyn and Selma Carlson, Mr. and Mrs. E. Carlson of Sonoma, Mr. and Mrs. Ben Pearson of Berkeley, Mr. and Mrs. Wick of San Francisco, Mrs. E. Landstrom and Miss Evelyn Landstrom of Oakland.

Mrs. Pearson and her brother, Mr. Carlson, had not met for 34 years. The day was also the occasion of Miss Alice Pearson's 14th birthday.

WILL CRUISE ON THE MEDITERRANEAN

One of the delightful features of the trip abroad which Mrs. Charmian London contemplates is a cruise this winter with friends on the Mediterranean. The host has a beautiful new yacht in which Mrs. London will delight, for she is a splendid sailor. The Glen Ellen visitor to Europe left for New York this week.

Axel Soderberg, well known Sonoma boy who was in the navy several years, was recently married to Miss Sally Seelhuber, telephone operator of San Francisco. Soderberg is a brother of Mrs. Frank Knolle.

Did Not Pay So Took The "Conse-quences"

Sonoma Valley once proudly boasted the largest quince orchard in the world. They were good quinces, too, but as time went on the public taste ran more to apples, pears, prunes and grape juice, so the land became more valuable for something else. Recently, every quince tree was uprooted by the owner, E. J. Clements, of Schellville. The land is being cleared and built up for a new orchard. Where the yellow fruit once ripened and quince fragrance filled the air a dusty field now waits new planting.

NATIONAL PRESIDENT SHEPARD IS HONORED

Mrs. Eliza Shepard of Glen Ellen, newly elected national president of the Women's Auxiliary of the American Legion, was given a reception at Santa Rosa Wednesday night by the Legion "Posts of Sonoma county. It was a brilliant event and one which demonstrated the popularity of the new official in her own home county. Senator Slater presented Mrs. Shepard, who addressed her comrades in happy vein. She was then given a handsome bouquet of flowers by Mrs. Hess of the Santa Rosa Auxiliary, a basket of flowers by Dr. Hubbell, commander of Petaluma Post, and a redwood gavel by Thomas Gale of Theodore Roosevelt Post. There was a fine banquet, dancing and entertainment.

Among prominent speakers were Mrs. George Samuel, state president of the Auxiliary; Nathan Coombs of Napa, past state commander of the American Legion, and other prominent men and women.

Mrs. Shepard starts for Indianapolis at once where she will assume her duties at the executive offices in that city. She has seven secretaries working under her and anticipates a very busy and active regime. Official business will keep the Glen Ellen woman in the East until the holidays, when she expects to come home for a short interim, leaving again in January for national headquarters.

SONOMA CITY MARSHAL LEAVES \$1200 ESTATE

The late James H. Albertson, former marshal of Sonoma, left an estate valued at \$1200, consisting of his home property in Sonoma, according to a petition for letters of administration filed in the superior court Tuesday by F. C. Albertson of Ukiah, a brother. The petitioner is the sole surviving relative of the veteran police officer, according to his petition, drafted by Attorney Charles Kascha of Ukiah.

GOES TO ARIZONA

STATEMENT SHOWS GAIN IN MERCANTILE TRUST

The statement of the local branch of the Mercantile Trust Company, published this week, shows a decided gain in business since the report of June 30th. The increase figures \$91,798.12, a substantial showing of Sonoma business.

IVAN JOHNSON'S FATHER GETS JOB IN SAN FRANCISCO

Soldier of Fortune and Gun Fighter Comes From Texas for Prohibition Work Under Colonel Green.

Samuel Johnson, who was head of the military police in Russia for many years, participated in revolutions in Nicaragua and the Orient, and has been a professional soldier of fortune all his life, arrived in San Francisco last week from Texas to take the job of chief enforcement officer under Colonel Green, new head of prohibition in California. He was met at the train by Green and by his wife and son, Ivan Johnson, the latter well known in Sonoma Valley. Both Ivan Johnson and his mother lived at Wake Robin Lodge, Glen Ellen, for several years while the military head of the house was in foreign service.

Johnson, a Russian by birth, is a naturalized citizen of the United States and has had a brilliant career as a soldier. He is known as a gun fighter, but in assuming his new duties, declares that dry law violators need not fear violence unless they invite it. Johnson was also commander of Camp Fremont during the late World War.

Johnson's son, Ivan Johnson, was a Sonoma high school student and was known as a brilliant scholar. He was a favorite of Jack London in the late author's lifetime and from him was inspired to write. He is now doing newspaper work. Ivan was also a clever saxophone artist and played at various resorts while living here.

Sonoma friends of the young man and his mother were quite interested to learn that the new job of enforcing prohibition in San Francisco and vicinity had been delegated to Mr. Johnson, Sr. Under the new regime military men are getting the preference on appointments to suppress bootlegging, rum running and similar activities.

FIRE DESTROYS GLEN ELLEN SCHOOL HOUSE

Fire of unknown origin destroyed the Glen Ellen school house last Saturday afternoon with all its contents. It is reported that \$50 in school children's savings went up in the blaze.

All fire departments responded but the fire had such headway that the firemen devoted their attention to saving surrounding property.

School has been held in Mayflower Hall since the destruction of the school building. There was \$1800 insurance on the building.

ENGAGEMENT OF INTEREST ANNOUNCED

Miss Grace McGimsey, daughter of the late J. M. McGimsey, former bonded warehouse keeper in Sonoma, has announced her engagement to Frank McGill, prominent railroad man of Schellville, and deputy sheriff.

Miss McGimsey was given a shower by Mrs. A. M. Thomson and her sister, Mrs. Roy Pauli (Alta McGimsey) on Wednesday afternoon at the home of Mrs. Thomson. The bride-to-be received many lovely gifts.

About sixteen neighbors and friends and former school mates gathered in the home adorned with chrysanthemums and cosmos. A tempting repast in the candle-lit dining room was enjoyed.

Mr. McGill and his fiancée will be warmly congratulated by a large circle of friends in Sonoma county.

THE GOOD OLD DAYS ARE BACK

It has remained for the Northwestern Pacific to bring back the good old days—a \$1 the round trip fare to San Francisco has been revived. Hail to the railway chiefs and more power to them. The traveling public has been almost weaned from trains because of the elements of time and money, but with lower rates prevailing week-ends people will now be will-

ing to give a little more time, considering the fact that they can travel in more comfort and feel the benefit of a little extra change in their pockets at the end of a perfect day.

Auto-bus competition has loomed as a serious problem to the railroads who pioneered the way into the country and are now under tremendous expense, heavy taxes and drastic regulations. Classified as a public utility and necessity, they have been subjected to onerous burdens, no small part of which has been the automobile

stage line handicap.

With the present lower rates to attract the public and more frequent service as a possibility, there is no reason why our railroad should not revive its popularity. Railroads have too much invested to be swallowed up by motor competition. They mean too much to the public, but the public is fickle and will only rise to the justice of railroad support when railroad travel is made more attractive. The pocketbook appeal is a very strong one.

James Baines of Boyes Springs, the genial realtor, who has been on the sick list, is able to be about again.

Ida Hotz, Worthy Matron of the O. E. S., has been attending the Grand Chapter at Santa Cruz.

M. Weiler of the Old City Bakery is convalescent from an illness of several weeks. Mr. Weiler had an attack of rheumatism.

Mr. and Mrs. Walter Stuermer were dinner guests of William Vestal and bride at Santa Rosa Wednesday evening.

Editor and General Manager
WILL ROGERS

Another "Bull" Durham advertisement by Will Rogers, Ziegfeld Folies and screen star, and leading American humorist. More coming. Watch for them.

The Wise Guy and The Clown

A constant reader of my "Bull" Durham Ads writes in and says; "If there was another smoking Tobacco the equal of "Bull" Durham a lot of us would quit you no matter how much it cost. But alas there is no equal at any price as we have all found out at various times. So we must hasten to turn the pages and groan, whenever we encounter the CLOWN Ads of Will Rogers, who is trying to discredit the worth of the WORLD'S FAVORITE TOBACCO."

See that Bird wrote this whole Ad for me himself. He knocked me but he boosted "Bull" Durham. He fell right into my hands. Its only by the wisdom of our smart people that us CLOWNS and Fools are allowed to ride in Limousines. They say "The Lord protects the foolish," so, I am nestling right under his wing. So thanks Mr. Smart Man, write us another Ad. It will only cost you two cents

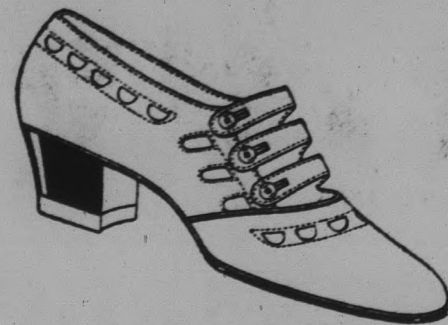

Will Rogers

P.S.—There will be another piece here two weeks from now. Look for it.

Twenty Years Progress and Development

Foreseeing the great future that was to be, and in anticipation of the needs for an organization to meet the requirements of this great growing commonwealth with ever increasing demands for Light, Heat, and Power, the Pacific Gas and Electric Company was incorporated, October, 1905.

These twenty years have seen the Pacific Gas and Electric Company grow, until today it ranks as the second largest gas and electric utility in the United States.

Joined with this growth, has been a rapid increase in manufactured products, agriculture and business in general, occasioned by impressive expansion in population.

Today this Company serves three-quarters of a million customers and the service is rendered at a cost within the reach of all.

The popularity of the Company is maintained by 11,400 loyal and carefully trained employees, giving quick, courteous service.

Confidence in the management of this utility and its future prosperity, is expressed through the 75,086 security holders who have invested their money to finance this enterprise, so vital to the future development of the great State of California.

The policy that has brought about such a gratifying condition, will be continued and expanded and California will be kept in the front rank in gas and electric development.

"HOW can I keep them presentable?"

A properly painted surface—a porcelain-like surface—one that resists water, soap suds, etc. and withstands moving, scrubbing furniture and pounding heels. That's the answer. And Rubber Cement Floor Paint gives just that surface. Easy to apply.

Also, ask for booklet, "Color Harmony in the Home"—all about painting or finishing floors, woodwork, walls, etc. It's free.

WE carry a full line of Fuller Paints and Varnishes and can supply your needs.
